UPTOWN 23RD STREETSCAPE PROJECT

by Justin Brannon

The NW 23rd Streetscape Project began January 12, 2026, impacting the corridor from Western to Broadway.

More than a decade in the making, the project aims to improve safety, walkability, accessibility, and the overall experience along NW 23rd.

Construction is expected to last approximately 18 months and may cause temporary disruption, particularly for small businesses along the corridor.

The project is being coordinated by the City of OKC, ODOT, and Rudy Construction Co., with official updates, timelines, maps, and construction notices available at vision.okc.gov, where residents can also sign up for email updates.

As construction moves forward, community members are encouraged to continue supporting the restaurants, bars, shops, and service businesses that are vital to the neighborhood.

Dear Neighbor,

Mesta Park is a wonderful neighborhood to live in, but WE CANNOT DO IT WITHOUT YOUR SUPPORT! To help our neighborhood continue to thrive, we need your voice and input to share ideas about how we can continue to improve the beautiful neighborhood that we all call home.
